

HONOLULU

INSIDER TIPS

Ala Moana Center - 1km

Central location:

International Market Place is a great central location to keep in mind – use google maps to work out how close your customers will be to the centre of town from their chosen hotel.

Hotel Tip: Queen Kapiolani Hotel has just had an impressive renovation, upgrading it to a 4 star property. The property has an unobstructed view of Diamond Head, and most room types have partial ocean views or better. PLUS it is a short 8 minute walk to International Market Place. Give the quiet end of Honolulu a chance on your next booking!

30 MINUTE WALK

International Market Place

Did you know:

Walking from one end of Waikiki to the other takes under 30mins on foot - that is all the way from Hilton Hawaiian Villiage to the Honolulu Zoo!

 The equivalent is walking from Southern Cross Station to Parliment House in Melbourne.

GETTING AROUND:

Transfers to/from the Airport as Honolulu traffic is really bad and can cause time delays. **HOT TIP:** Recommend booking in the Lei/Greeting transfers - Worth it for both the convenience and fun!

Car hire is a great way to see the rest of Oahu island. **HOT TIP:** put clients in hotels closers to the zoo for easy access to the freeway.
